

Syllabus Statement on Disability Support

The Graduate Division at UCSF embraces all students, including those with documented disabilities, and is committed to providing all students equal access to all of its programs, services, and activities. Student Disability Services (SDS) is the campus office that works with students who have disabilities to determine and coordinate reasonable accommodations. Students who have, or think they may have, a disability are invited to contact SDS (StudentDisability@ucsf.edu or 415-476-6595) for a confidential discussion and to begin the process for requesting accommodations in classroom settings. More information is available online at <http://sds.ucsf.edu>. Accommodations are never retroactive; therefore, students are encouraged to register with SDS as soon as they begin their programs.
